

LA MAISON D'ULYSSE LAUNCHES 'EARLY BIRD' BOOKING OFFER FOR MAY 2018

ADMIN NOVEMBER 22, 2017 0

Set in the heart of the Provencal countryside, the beautiful nine-bedroom **La Maison d'Ulysse** is now offering a 25% early bird discount on stays in May 2018 (the season re-opening) when booked before **14th January 2018**.

Set within beautiful surroundings, **La Maison d'Ulysse** is the perfect setting to digitally switch off and relax with its renovated 16th century stone walls, draped in a purple rain of wisteria, and a heated outdoor pool surrounded by wildflowers.

Situated in a tiny hamlet called Baron, tranquility is guaranteed with its high walls sheltering the gardens that sprawl out around the hotel, giving it the appearance of a secret oasis in the heart of Provence.

Each room features its own individual design decorated by the two owners themselves – some boasting spectacular views over the surrounding countryside.

With its vaulted spa and Turkish baths, heated outdoor pool and Provençal restaurant, **La Maison d'Ulysse** is conducive to serenity and perfectly reflects Guy and Gauthier's vision.

Gauthier personally shows all guests around the hotel and gardens, highlighting the best things to do in the area and generally making them feel at home.

In each guest's room, they will find 'Gauthier's Guides', a selection of the best tips for where to walk, jog, and cycle in the local area. The hotel also recommends a number of wine experiences and trips to the local food markets in Uzès.
