## Design Beat

If you're not ready to embrace the full back-to-school, back-to-the-office routine just yet, here are a few hotel design picks to keep the holiday mood alive a little longer...

See [l-hotelmarrakech.com](http://l-hotelmarrakech.com) 2 With furniture all sourced from mid-century experts Essential Home and lighting by DelightFULL, we can't wait to visit the Hotel Buenos Aires when it opens in Spring 2018.
